(3) The full name of a Carrier and its abbreviation shall be as set forth in the Carrier's regulations and such name may be expressed in an abbreviated form on a Ticket. For the purpose of application of the Convention, a Carrier's address shall be the airport of departure indicated in the line of the Ticket on which the abbreviation of the Carrier's name first appears and the Agreed Stopping Places (which may be altered by the Carrier in case of necessity) shall be those places as defined in Article 1.

18-3 On the Limitation of Liability regulated in Convention

(1) Where the Convention other than the Montreal Convention applies;

(a) Spring Japan agrees in accordance with Article 22 (1) of the Convention that, as to
all International Carriage performed by Spring Japan and as defined in the Convention:

(i) Spring Japan shall not apply the applicable limit of liability based on Article 22 (1) of the Convention in defense of any claim arising out of death of or, wounding or other bodily injury to, a Passenger within the meaning of Article 17 of the Convention. Except as provided in (ii) below, Spring Japan will not waive any defense to such claim which is available under Article 20 (1) of the Convention or any other Applicable Laws.

(ii) Spring Japan will not, with respect to any claim arising out of death of, or wounding or other bodily injury to, a Passenger within the meaning of Article 17 of the Convention, avail itself of any defense under Article 20 (1) of the Convention up to the sum of 128,821 SDR exclusive of the costs of the claim including attorney's fees which the court finds reasonable.

(b) Nothing herein shall be deemed to affect the right of Spring Japan with regard to any claim brought by, on behalf of, or in respect of any person who has willfully caused Damage which resulted in death of, or wounding or other bodily injury to, a Passenger.

(2) In case of International Carriage except as prescribed sub-paragraph (1), the following shall apply.

(a) In the case of Carriage subject to the Montreal Convention, Spring Japan's liability for Baggage shall be limited to 1,288 SDR for each Passenger.

(b) Except as provided in the provisions of (a) above, Spring Japan's liability shall be limited to 17 SDR (250 French Gold Francs) per kilogram in the case of Checked Baggage and 332 SDR (5,000 French Gold Francs) for each Passenger in the case of Unchecked Baggage.

(c) The limitation referred in (a) and (b) above does not apply if the Passenger shall have declared a higher value in advance and paid additional charges pursuant to Article 13.6.(7). In that event, Spring Japan's liability shall be limited to such higher declared value. In no case shall Spring Japan's liability exceed the actual amount of Damage suffered by the Passenger. All claims shall be subject to proof by the Passenger of the amount of Damage.

(3) In case the Article 18.3.(2)(b) applies, in the event of delivery to a Passenger of a part but not all of his/her Checked Baggage or in the event of Damage with respect to a part but not all of such Baggage, Spring Japan's liability with respect to the undelivered or the Damage portion shall be reduced proportionately on the basis of the weight of the Baggage, notwithstanding the value of any part of the Baggage or the contents thereof.
(4) Spring Japan may refuse to accept any article which shall not constitute Baggage under these Conditions of Carriage; provided that, if the article is delivered to and received by Spring Japan, it shall be subject to the Baggage valuation and limitation of liability set forth in these Conditions of Carriage and shall be subject to the rates and charges published by Spring Japan.

18-4

(1) Spring Japan will issue a Ticket or accepts Checked Baggage for Carriage performed by any other Carrier only as an agent of such Carrier. Spring Japan shall not be liable for any Damage which shall have occurred outside a sector the Carriage for which shall have been performed by Spring Japan. Spring Japan shall neither be liable for any Damage which shall have occurred to Checked Baggage outside a sector the Carriage for which shall have been performed by Spring Japan, except where the Passenger shall be entitled by the Convention to claim such Damage against Spring Japan in case Spring Japan is the first or the last Carrier under the relevant contract of Carriage.

(2) Spring Japan shall not be liable in any event for any consequential or special damage or punitive damages arising from Carriage complying with these Conditions of Carriage and SJO's Regulations, whether or not Spring Japan had knowledge that such damage might arise.

(3) Unless otherwise provided in these Conditions of Carriage, Spring Japan reserves any and all right of defense available under the Convention. Spring Japan also reserves a right to make a subrogation claim against a third party which shall have contributed to Damage, with respect to a portion or all of any payment made by Spring Japan in connection with the Damage.

(4) Spring Japan shall not be liable for any Damage with respect to a Passenger's Baggage caused by the contents thereof. A Passenger whose property causes Damage to another Passenger's Baggage or the property of Spring Japan shall indemnify Spring Japan for all loss and expenses incurred by Spring Japan as a result thereof.

(5) Spring Japan shall not be liable for any Damage to items which are included in a Passenger's Checked Baggage, if and to the extent that the damage resulted from the inherent defect, quality or vice of the item, irrespective of Spring Japan's knowledge thereof.

(6) Any exclusion or limitation of liability of Spring Japan under these Conditions of Carriage and SJO's Regulations shall also apply to any of Spring Japan's representatives, officers, employees or agents performing their respective duties and
to any person or entity whose aircraft is used by Spring Japan for Carriage and any of its representatives, officers, employees or agents performing their respective duties. The aggregate amount of the damages payable by Spring Japan or its representatives, officers, employees or agents shall not exceed the amount of Spring Japan’s limitation of liability under these Conditions of Carriage.

Article 19 – TIME LIMITATIONS ON COMPLAINTS

19-1
No claim for damage may be made in the case of damage to Baggage, unless the person entitled to delivery complains to an office of Spring Japan forthwith after the discovery thereof and no later than 7 Days from the date of receipt; and, in the case of delay or loss, unless the complaint is made no later than 21 Days from the date on which the Baggage has been (in the case of delay) or should have been (in the case of loss) placed at his/her disposal. Every complaint must be in writing and dispatched within the time aforesaid. In case Carriage is not "International Carriage" as defined in the Convention, failure to give such notice of complaint shall not prevent a claimant's filing a suit if the claimant proves that:
(1) it was not reasonably possible for him/her to give such notice;
(2) such notice was not given due to fraud on the part of Spring Japan; or
(3) Spring Japan had knowledge of the damage to the Passenger's Baggage.

Article 20 – TIME LIMITATIONS ON ACTIONS

Any right to damages against Spring Japan shall be extinguished unless an action is brought within 2 years reckoned from the date of arrival at the Destination, from the date on which the aircraft ought to have arrived, or from the date on which the Carriage stopped.

Article 21 – OVERRIDING LAW

Any provision contained or referred to in a Ticket or in these Conditions of Carriage or SJO's Regulations shall, even if it is in violation of Applicable Laws and is invalid,
remain valid to the extent not in conflict with Applicable Laws. The invalidity of any provision shall not affect any other provision.
